

Horton by the Stream & The Catskill Mountain Foundation *present*

A black and white photograph of a large group of approximately 30 women standing in several rows in front of a stone building with columns. They are dressed in early 20th-century fashion, featuring long white dresses, various styles of hats (fedoras, wide-brimmed hats), and some with long gloves. The women are posed for a formal group portrait.

1918
